This amt will be deducted from your account every 4 weeks. You will receive an invoice of the monthly transaction via e-mail once processed. We will not fill your child's spot in class until you have properly withdrawn from our dance program. We do not offer credits or refunds nor is youth dance tuition transferable to any other services at StudioMove. If your child misses classes due to illness or vacation, they can take any other class listed on our schedule, for a make-up. We do not offer any compensation for no-shows. COVID-19 Info:

Students have the option to wear a mask in our facility before and after class, but this is not required. We will not allow students to wear a mask during class as we feel this is a safety issue. If you insist on your child wearing a mask during class, you will need to sign a separate Covid-19 waiver. Students will be required to use hand sanitizer before and after class, which is provided at the front desk or students can use their own. We will always encourage social distancing, keeping "hands to yourself" and keeping distance between students the best that we can. Please refrain from attending classes if students are ill, showing signs of Covid or have been in contact with someone who was recently diagnosed, and we will encourage ALL staff and students to practice good personal hygiene. We do not recommend participating if students have a compromised immune system or any underlining health conditions. We recommend a "Drop-off and Pick-Up" method to help limit the number of family/spectators in lobby and waiting areas. StudioMove is not responsible or reliable for anyone who feels they have contracted Covid-19 or any other illness within StudioMove premises. StudioMove is waived of all Covid-19 liabilities for anyone who voluntarily participates in any classes or performances in and out of our facility.
