### **Music & Movement**

Music & Movement classes are high energy and imaginative, serve as an introduction into the performing arts, aim to build confidence, develop social skills, and by nature improve and develop good posture and poise, balance, coordination, flexibility, rhythm, and timing. Ideal for ages 3-5 yrs old.

Classroom attire: Ballet leotard, ballet tights, pink ballet shoes. Ballet skirts and tutu's are acceptable too! (Tap shoes may be used in this class, please discuss with your instructor ahead of time). Hair tied away from face.

### **Dance Combo Classes (Pre K, Kinder, Minis, Jr)**

Dance Combo classes are a great way for students still discovering dance to explore multiple styles. This class serves beginning through intermediate levels of dancers. Each class is set out to discover each of the students' dance style preference and aptitude. Conditioning & technique will be applied to assist the dancer in building the strength & endurance required for dance. Teachers are directed to focus the first few weeks of a student's attendance helping them flow through different styles of dance such as ballet, jazz, tap, character and contemporary/lyrical. The styles will vary depending upon the teacher's experience and the students abilities and interests. These classes are approachable to beginners but also challenging to more advanced dancers. If you or your child are looking to direct your training specifically speak with Tawnya ahead of time to get accurate placement.

Classroom attire: Dance leotards, dance t-shirts & tank tops, dance tops, dance shorts or leggings, & other athletic clothing permitted in class. Black ballet &/or jazz shoes, sneakers, & tap shoes may all be used in this class. Please discuss with your child's teacher ahead of your first class. Hair tied away from face (hats are permitted during Hip Hop).

**EACH STUDENT IS REQUIRED TO BRING THEIR OWN WATER SOURCE TO CLASS EACH WEEK!!**

**Parent Viewing Policies:**

**We understand that parents enjoy watching their dancers during practices! We agree that It's pretty dang adorable however, we encourage a drop off and pick up method for weekly classes! If your dancers insist on one parent being in the room, we will allow that until dancer is comfortable. Parents are invited to attend the last 10 minutes of each class to view their dancers progression each week.**
