ABOUT STUDIO MOVE

Founded in 2011 by Tawnya Halleus, Studio Move Boise began as a small garage studio with a big vision: to make dance accessible, inclusive, and empowering for all ages.

Established in the heart of the Hidden Springs community, Studio Move Boise now serves 200+ youth and adult dancers while connecting with a growing network of over 3,500 families and supporters throughout the Treasure Valley.

As one of the first studios in the Hidden Springs community to offer both youth and adult programs under one roof, we've created a unique space where passion for dance spans generations — sometimes within the same family.

Our studio is deeply rooted in community, providing not only high-quality dance education, but also confidence-building experiences, performance opportunities, and a welcoming environment for all.

WHY SPONSORSHIP MATTERS

Sponsorships help us continue creating meaningful opportunities for dancers and families in our community.

To be more specific:

- Scholarships for dancers in need
- Studio equipment & improvements
- Guest instructors, workshops, & conventions
- Performance opportunities
- Community events
- Costumes & competition support
- Expansion of the adult program into a new space to make room for the expanding youth program

COMMUNITY

StudioMove Boise creates spaces where dancers build confidence, creativity, discipline, and meaningful community connection through movement.

OPPORTUNITY

Your sponsorship directly supports scholarships, performances, workshops, studio improvements, and accessible arts education opportunities for local dancers and families.
